

Scottish Classic Racing Motorcycle Club LTD

Founded 1983

(Affiliated to the SACU)

Restoring classic racing motorcycles and competing with them was the reason this club was formed. We aim to provide Road Racing, Classic Scrambles and Trials. As well as auto jumbles, shows and we have a monthly club night.

What makes classic racing so attractive to the competitor?

It is mainly the friendly atmosphere and willingness of the other competitors to assist each other and this is certainly what sport of any kind is all about. You don't have to own a classic motorcycle to join – you can still be a member and enjoy the chat at club meeting or become involved in the organisation of some events.
